**League Banners**

Question raised about whether or not we want to do regular season banners this year.

Vote held and passed almost unanimously to continue giving out banners.

Banner allocation will be figured out by Statistician with input from executive.

**Coaches Code of Conduct for Regionals**

Nancy Nicholson Houghtling spoke about code of conduct for coaches, players and parents alike. She shared stories about refs quitting due to coach behaviour. We're struggling for ref numbers and can't afford to lose more. There will be a reffing supervisor at every game who will be monitoring and providing feedback to the refs.

Bench staff can be ejected by ref, reffing supervisor, or any ORA official.

**Games & Tournaments**

Any major 4-minute penalty in the last 4 minutes of the game will be kept on record and will lead to a suspension for the next game. If it's the player's last game of the tournament, the suspension will carry through to next season and cannot participate with team until after the first game (with the exception of tryouts which they can participate in).

TRFs being reviewed and errors being caught. Please review closely.

Any game could start 10 minutes early other than finals.

All teams to be registered on Score2Stat. Team stickers will not be accepted. Team lists will be printed off based on Score2Stat registrations.

**Jenny Ratter – Tillsonburg: Regionals host**

Packages going out to all coaches with coupons (Boston Pizza, Pita Pit, etc) and small amount of swag. Great hall being donated for team use. Restaurants are prepared for influx of players. Free ice cream at North Broadway Church. Find swag bag for your team when you drop off your prize.

**Volunteer time slots**
