

WESTERN REGION RINGETTE G&T COACHES HANDBOOK

Introduction

This handbook is intended as a resource for all coaches in Western Region at all levels of play. Included are the forms that coaches will need to use this season. All of these forms will also be available at either the ORA or Western Region website. It is also recommended that you make use of the Operating Manual available on the ORA website. The Rules of Play for both the Western Ontario Ringette League (WORL) and the Western Region A/AA league are available online at the Western Region site. These addresses are given on the Contacts page. In addition, we have asked the Constitutions and Rules of Play for the 4 Regional level Leagues are made available on the site.

With all the information available to the coaches and association executives there should not be any excuses for not being informed.

The Executive of the Western Region Ringette Association wishes all teams the best of luck in all their games whether they be league or tournament play.
