

## **WATERLOO RINGETTE ASSOCIATION**

### **Alison's Dream Toy Drive**

Waterloo Ringette is proud to announce the start of our 4th Annual Alison's Dream Toy Drive campaign. Alison's Dream is in memory of Alison Postma who we lost to a brain tumour in October 2008 at the age of 5. Alison was a daughter, sister, friend and one of Waterloo Ringette's Bunnies. She was a kind and gentle spirit who we all miss. Alison's Dream is our way of keeping her memory strong and her spirit alive by trying to ensure all children receive a gift this Holiday Season. Waterloo Ringette honours Alison's memory each year by hosting this toy drive for less fortunate children throughout Ontario.

Waterloo Ringette invites any and all teams interested in participating that are playing Waterloo during the later part of November and December to simply bring a new, unwrapped gift for a child of your choice to your game against Waterloo. Waterloo's coaches will collect them. We also invite any team not playing Waterloo to send gifts with other teams from their association.

Waterloo also invites all associations to start their own toy drive. It's easy to do. Or participate in any form or means you wish. All toys and donations collected by Waterloo will be distributed throughout the Province. Alison's Dream has raised more than 1800 toys for children in Ontario.

It's not what is on the sweater that matters, it's the size of heart in the sweater that counts.

For information about how you can help or donate to this important cause please contact:
