

Western Region Ringette Association

proudly presents our...

Western Region Ringette Regionals

In our continued efforts, we strive not only to ensure a positive tournament experience for all teams; but to also improve the quality of our tournament and services that we provide to you each year.

With this in mind, The WRRRA has chosen **All Sport Accommodations (ASA)** as the *exclusive* provider of accommodation services. We ask that all teams book their hotels through ASA in order to ensure the integrity of our program.

All Sport Accommodations provides a **FREE** service to teams and is a trusted name in the Travel Services Industry specializing in booking accommodations for teams based on specific team requirements. By booking with ASA you are guaranteed to receive the **lowest group rates** and other special tournament benefits. ASA will ensure that each family will receive a Commemorative Destination Guide, which will include - personalized travel information, maps and driving directions to your hotel and to our facilities, points of interest including shopping and restaurants.
