

G&T Western Region – Report for General Meeting, Nov. 26, 2020

In these strange and challenging times, G&T has had very little activity.

Regionals 2021

At this time we do not expect this event to run.

Regionals 2022

Is your association interested in hosting Regionals in 2022 (maybe 2023?) or at some time in the future? Let G&T know.

Provincials

All Provincial and National Events for 2020/2021 have been cancelled. There has been no discussion yet re 2021/2022 but if you are interested in hosting, let G&T know.

Tournaments

At this time all tournaments have voluntarily cancelled with the possible exception of Walden. The Walden tournament will be limited to local cohorts only.

Suspensions

All player suspensions have been “suspended” until normal play resumes.
