

## ELITE REPORT: JANUARY 08

The AAA team is off to a good start winning Gold at the London Challenge Cup and Silver at the Cambridge Challenge Cup. This weekend they are in Burlington at the third Challenge Cup. We wish them good luck.

Unfortunately this is the last Challenge Cup before the Winter Games. The team is desperately looking for practice ice in the month of February. If you can donate two hours of ice, please contact Donna Jones at 519-284-9726.

Shot clocks are being distributed to tournaments. At the present time we have two clocks not working but we are trying to get them fixed.

The A/AA League is looking at the dates for declaration dates for Provincial teams. Please watch for them to be posted as this will affect your Association.
