To Whom It May Concern;

On behalf of the Ontario Ringette Association, I am requesting a Volunteer Record Check for the following individual:

Name of Volunteer: _____

Association: _____

Screening of personnel and volunteers is an important part of providing a safe environment among sports organizations which provide programs and services. Ontario Ringette is responsible to provide a safe and secure environment for participants in its programs, activities and events.

Ontario Ringette screens adult volunteers for all positions and reviews suitability of volunteers on an ongoing basis. As part of this process the adult volunteer is required to complete a Police Record Check.

Persons who will be subject to screening through a Police Record Check (PRC) are those who work closely with minor athletes and those who occupy positions of trust and authority within Ontario Ringette and its member associations and clubs.

Thank you for your cooperation;
